

Feelgood Mystery

Well I don't know if you've noticed
But I'm feeling pretty good
Today
For once I got the feelin'
That everything will be
OK

*But I don't know why the sun
Has started shining
How come my cloud has got a
Silver lining?
Your only answer is to
Smile your smile at me
It's a feelgood mystery*

*Woh wo wo ,wo wo wo, wo wo wo wo

Well I don't know if you've noticed
But I'm feeling pretty good

*But I don't know why the sun
Has started shining
How come my cloud has got a
Silver lining?
Your only answer is to
Smile your smile at me
It's a feelgood mystery*

I'm not myself today
This ain't like me at all
A feelgood mystery
You could help me solve
So don't just sit there girl
Like butter wouldn't melt
To solve this mystery
I could use some help

*But I don't know why the sun
Has started shining
How come my cloud has got a
Silver lining?
Your only answer is to
Smile your smile at me
It's a feelgood mystery, who wo wo,*
