

Making out with music

Music is my mistress, melody my queen
Ridin' on the rhythm, dancin' with the dream
Livin' with that lady, that's where I belong
I'm makin' out with music all night long

Kiss the key carefully, sugar sweet the sound
Lovin' in the lyrics, feelings to be found
Tete a tete a tempo, syncopate that song
I'm makin out with music all night long

Tremble in the treble, bringing up the bass
Perfect pitch of pleasure, cuttin' to the chase
Largo or allegro, comin' on real strong
I'm makin' out with music,
Makin' out with music,
Makin' out with music
All night long
All night long
All night long
All night long....
